Case No.

Complaint

Motion to Dismiss
Law Suite (Complaint)

To the Honorable Court:

The United States Magistrate advised
a motion to dismiss.
The United States District Judge
Accepted the Request And Recommendation.
Plaintiff has provided a check in the
amount of Four Hundred Two Dollars
to cover the cost for Court Filing fees.

Plaintiff begs that the United States Magistrate Judge Henry B. Bemporad intercedes on Plaintiff behalf allowing his IFP to Cover both cause of actions, 19-CV-00596 and 20-CV-00965. Plaintiff was not aware that even though the Venue (Federal District Court, Western District of Texas, San Antonio Division) are the same, that the two cause of actions/cases are entirely different and separate.

If the Court should denies such an appeal, then Plaintiff has no other alternative than to sacrifice paying his utility bills for the month of December 2020 and will Pay the required OUT-OF-ROCKET (20-CV-00965) IFP filing fee with the clerk of this Court.

P.S. This case has nothing to do with the REMOVAL ACTION FROM Bexar County Civil Court (2020-CV-01312) To Federal District Court (19-CA-00596).

Respectfully submitted,

Carlos Antonio Raymond
